Dear Friends and Fellow Saint John Alumni:

On Tuesday May 5th, the voters of Shrewsbury will be asked to elect our next Selectman and in my opinion, the obvious choice is Jim Kane.

Jim is running on a record of experience and concern for the future of our community – he wants to give back to the community he loves. He knows how municipal government works and has worked in both the private and public sector.

Jim won't tell you falsehoods to get elected and promise enormous savings that he can't deliver and are based on inaccurate information. He will give it to you straight, work hard to improve our quality of life and protect our tax dollars. He will always take the time to listen to all before making a decision that he feels is in the best interest of Shrewsbury.

- Jim graduated Holy Cross and worked as a firefighter while he got his Masters in Public Administration from Clark University.
- Jim was elected to 3 terms as a Marlborough City Councilor and Finance Chair, the town he grew up in, the son of 2 teachers.
- Former Governor Weld hired Jim as his Deputy Chief Policy Advisor, working on local aid, education reform and economic development.
- Jim has been an Assessor for eight years, and on the Industrial Development Commission.
- He served very effectively on the Town's Fiscal Study Committee.
- Jim helped re-develop the former Fort Devens into a thriving business community when he worked at MassDevelopment.

Jim and his wife Hannah have been extremely active in Shrewsbury since moving into the Old Pease Tavern on Main Circle 12 years ago. They have three children, Madison 8, Caitlin 6 ½ and Patrick 3 ½ years old. All of their kids are in the Shrewsbury Public Schools.

I support Jim and know him to be a dedicated, enthusiastic and honest member of our community. I urge you to learn more about him at **www.ElectJimKane.com** or call him at 508-842-2894. Please join me in voting for Jim Kane on Tuesday, May 5th.

Sincerely,
