A dedicated family man, he knows how important it is to fairly treat all generations. Jim Kane is the leader Shrewsbury needs today! Vote May 5th to better Shrewsbury. **- Robert Holland Chairman SYFS, Scholarship Committee,  
Zoning Board of Appeals Associate Member,  
Town Meeting Member**

"As retired town clerk, I have observed Jim Kane demonstrate the highest level of knowledge and integrity as a Shrewsbury Assessor, member of the Fiscal Study Committee and the Industrial Development Commission. Jim's position in the field of commercial development combined with previous experience on the Marlborough City Council uniquely qualifies him for election to the Board of Selectmen. In these difficult economic times, his knowledge of state and federal statutes governing municipalities distinguishes him as the right choice for our community. I urge Shrewsbury voters to elect Jim Kane to the Board of Selectmen on May 5th.

**- Ann Dagle Retired Town Clerk**

# JIM KANE for SELECTMAN

## of Shrewsbury Vote May 5th

"I support Jim Kane's candidacy for Selectman. Jim is bright, well-spoken, experienced, independent and deeply concerned about our community. I've watched him work for our Town as an Assessor and as a strong contributor to the Fiscal Study Committee. Jim understands there are no quick fixes or easy answers to the economic difficulties being experienced by all communities throughout the state. He understands how very important it is to bring our community together and to work as a community to solve our problems while continuing the programs and services that we want and need. I support him without reservation and I urge you to join my support and vote for Jim Kane on Tuesday, May 5th."

**- Kevin T. Byrne Town Moderator**

"Jim Kane will be a great Selectman for Shrewsbury. His experience in both the public and private sectors provides him with an understanding of municipal finance, and as a Selectman, he will be a committed partner for finding new solutions. Daunting challenges face Shrewsbury and Jim is an experienced leader who can make hard choices and rally our community to support them. His passion for our community as a whole, and specifically for the public school system, is obvious in both his words and his deeds. We are confident that Jim will help strengthen the relationship between the Board of Selectmen and the School Committee, and we urge you to vote for Jim Kane on Tuesday, May 5th.

**- Marian Smith School Committee, Brian Smith Shrewsbury Democratic Town Committee**

"I am supporting Jim Kane to be our next Selectman in Shrewsbury. Jim won't tell you falsehoods to get elected. He won't promise enormous savings based on inaccurate or misleading information, promises he knows that no one can deliver. He will give it to you straight, work hard to improve our quality of life and protect our tax dollars. Jim knows how municipal government works and has worked in both the private and public sector. Jim has a long record of supporting ALL members of our community and he will always take the time to listen to all before making a decision that he feels is in the best interest of Shrewsbury. Please join me in voting for Jim Kane on election day, Tuesday May 5th."

**- Paul Keegan Fiscal Study Committee, Council on Aging, Town Meeting Member**

"Jim Kane is my clear choice for Shrewsbury's next Selectman. I had the honor of working with Jim on the town Fiscal Study Committee. With Jim's first-hand experience in municipal management and policy development, he clearly had the advantage over many of us as we navigated through the complexities of our structural deficit. Jim, a three-term Marlboro City-Councilor, former policy advisor to Governor Weld and a key architect to the redevelopment of the former Fort Devens, was an in-house subject matter expert. Our current fiscal situation is too delicate to risk a learning-curve candidate. Please consider Jim Kane, the experienced leader, on May 5th."

**- Dina Nichols Fiscal Study Committee, SYFS Board Member, Town Meeting Member**

"Mr. Jim Kane possesses a number of attributes that set him above the rest of the other candidates in this year's selectman race. Mr. Kane has the knowledge and passion that the position of selectman requires. Most of all, it's Mr. Kane's experience in local government that we need right now. Mr. Kane understands budgeting at all levels of government, has had leadership roles in municipal government, and has held positions of trust within the town of Shrewsbury. I encourage you to vote for Mr. Kane."

**- George Smith Zoning Board of Appeals Associate Member, Town Meeting Member**
